# Instructions

While your Koons balloon animal is drying/being fired work on your Hesse sculpture.

- This work needs to be a non-objective sculpture, 5-10" in size, made from wire, fabric, glue/water mix, yarn, jute, any other natural material you want to use.
- Final product needs to have a neutral color scheme.
- Presentation is important, does it sit on a table? Does it hang on a wall or from the ceiling?
